### Dear visitors!

For more than 300 years, people have travelled from all over the world to the North Cape to set their own feet on the northernmost point of the European continent. Many notable figures have made the strenuous journey: kings and princes, adventurers and groups on expeditions – all of them strongly drawn to the spectacular natural beauty of the North Cape. There are a number of exhibitions in the North Cape Hall, which will give you a glimpse of the history of the region. In our famous Panorama film we guarantee that you will see the midnight sun – no matter what the weather is like! You will also find several places to eat, the most exciting gift shop in Norway, and the most northerly post office in the world.

Royalty or adventurers – we extend a warm welcome to everyone at the North Cape!

### Places to eat in the North Cape Hall:

- **North Cape Coffee Shop**  
At our own coffee bar we serve all sorts of coffee freshly brewed, with new-baked waffles or other delicious temptations.
- **Restaurant Kompasset**  
Enjoy the view from the roof of Europe and a flavoursome meal. The restaurant serves a wide selection of hot and cold food. In the summer the special North Cape buffet is served every evening.
- **Grotten Bar**  
Here you can celebrate your visit to the North Cape with champagne, as travellers to the North Cape have done for 150 years. And don't miss the midnight sun ceremony that is held every evening in the summer!

- **Aurora Borealis Bar**  
The Aurora Borealis Bar is another place to drink the traditional champagne. Seafood from the Arctic region of Finnmark is also served. Taste the food from the top of Europe. We serve king crab, reindeer meat, whale meat and other seafood.
- **North Cape Shopping**  
Our impressive gift shop is linked to «Norway Tax-Free Shopping» – an arrangement that allows you a refund of the Norwegian VAT on goods bought in Norway when you leave the country. This applies only to visitors resident outside Scandinavia.
- **9764 Nordkapp**  
The world's most northerly «post office» sells stamps, philatelic issues and the North Cape certificate. If the post office is closed, just ask for help in the gift shop.

If you post your cards in one of the red letter boxes, they will automatically be stamped with the North Cape postmark.

We accept the currency of most countries.
